

# Crop development report – Tett nang

## June 2020

**BayWa AG**  
**Hopfen**  
 Kalchenstraße 20  
 88069 Tett nang  
 Germany  
 E-Mail hopfen@baywa.de

Datum: 01.07.2020

### Further Information:

Due to ideal conditions with abundant rainfall, the growth was very good. The hops in the growing area are 7 to 10 days ahead in development. Diseases and pests are under control.

The conditions for a further good development of hops are given.
